SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

At all druggists.

COMFORT
INSURANCE

Speaking of making sudden changes—did you ever want to heat up a room when you overslept. Perhaps the alarm did not ring. You are in a terrible hurry—

Then is the time when you will appreciate a

Cole's Original
Air-Tight
Wood Stove

From zero to seventy degrees Fahrenheit is a big jump—but it is an easy stunt for this remarkable heater.

Five minutes in time is all that is needed.

Think of what that means to you on a cold morning—of the time you save. No building of a new fire. You put in a fresh stick and away she goes.

That isn't all. You get a steady, controllable heat hour after hour.

Think what this means to your family—in illness prevented and doctor's bills avoided.

Think of what it means in comfort—quickly and cheaply furnished.

Then come in while it is still in your mind.

An inspection will decide the matter.

It is just the stove you need. Burns wood and lighter fuel.

"Cole's," the Original Patented Air-Tight Heater, is sold only by us

See the name "Cole's" is on the feed door of each stove. None genuine without it.
